

PERRY COUNTY SCHOOLS

MISSION STATEMENT

The mission of Perry County Schools is to educate our students to become productive members of society.

VISION STATEMENT

The vision of Perry County Schools is to provide a caring and stimulating environment where children will recognize and achieve their fullest potential, so that they can make their best contribution to society.

BELIEF STATEMENTS

We Believe That....

- Our children are our future.
- Positive relationships with all stakeholders are essential.
- The mastery and application of basic learning skills are the building blocks of learning.
- The best interests of students should be foremost when decisions are being made.
- Learning is an active and lifelong process enhanced by a safe and orderly environment.
- Career education should be provided to all students at all levels as an ongoing process.
- Every Student can learn and reach their full potential.
- Students, family, community, and schools share the responsibility for education.
- As society changes educational strategies must be reinvented to meet the changing needs of students.
- All people have dignity, worth, and value and must be treated with respect.
- Accountability should include all stakeholders.

PARAMETERS

- We will not tolerate behavior that diminishes the dignity or self-worth of any individual.
- We will always treat students, families, and community members as partners in the educational process.
- We will make all decisions based on the best interest of students.
- We will focus our resources, programs, and practices on accomplishing our mission.
- We will provide a safe learning environment throughout the district.
- We will hold each individual responsible for his or her actions.
- We will not tolerate ineffective performance by students or employees.
- Decisions will be made giving full consideration of the authority of the site-based council and the building principal.
